8. Requested disbursement schedule:

Month, Year	Requested Disbursement Amount	Account balance after disbursement

(Add more rows if needed)

9. Please provide a brief description of the planned use of the funds:

*NOTE: Education accounts are savings accounts for future educational needs. Some sponsors may contribute periodically to the education fund or future education fund of the child, but the growth of the fund is not guaranteed. When a sponsored friend leaves the sponsorship program with money remaining in his or her education account, sponsors will be allowed to transfer any remaining amount to another child they sponsor. Any remaining money will be automatically transferred into the scholarship fund to assist other children in need of educational assistance.*
